TIGER '64

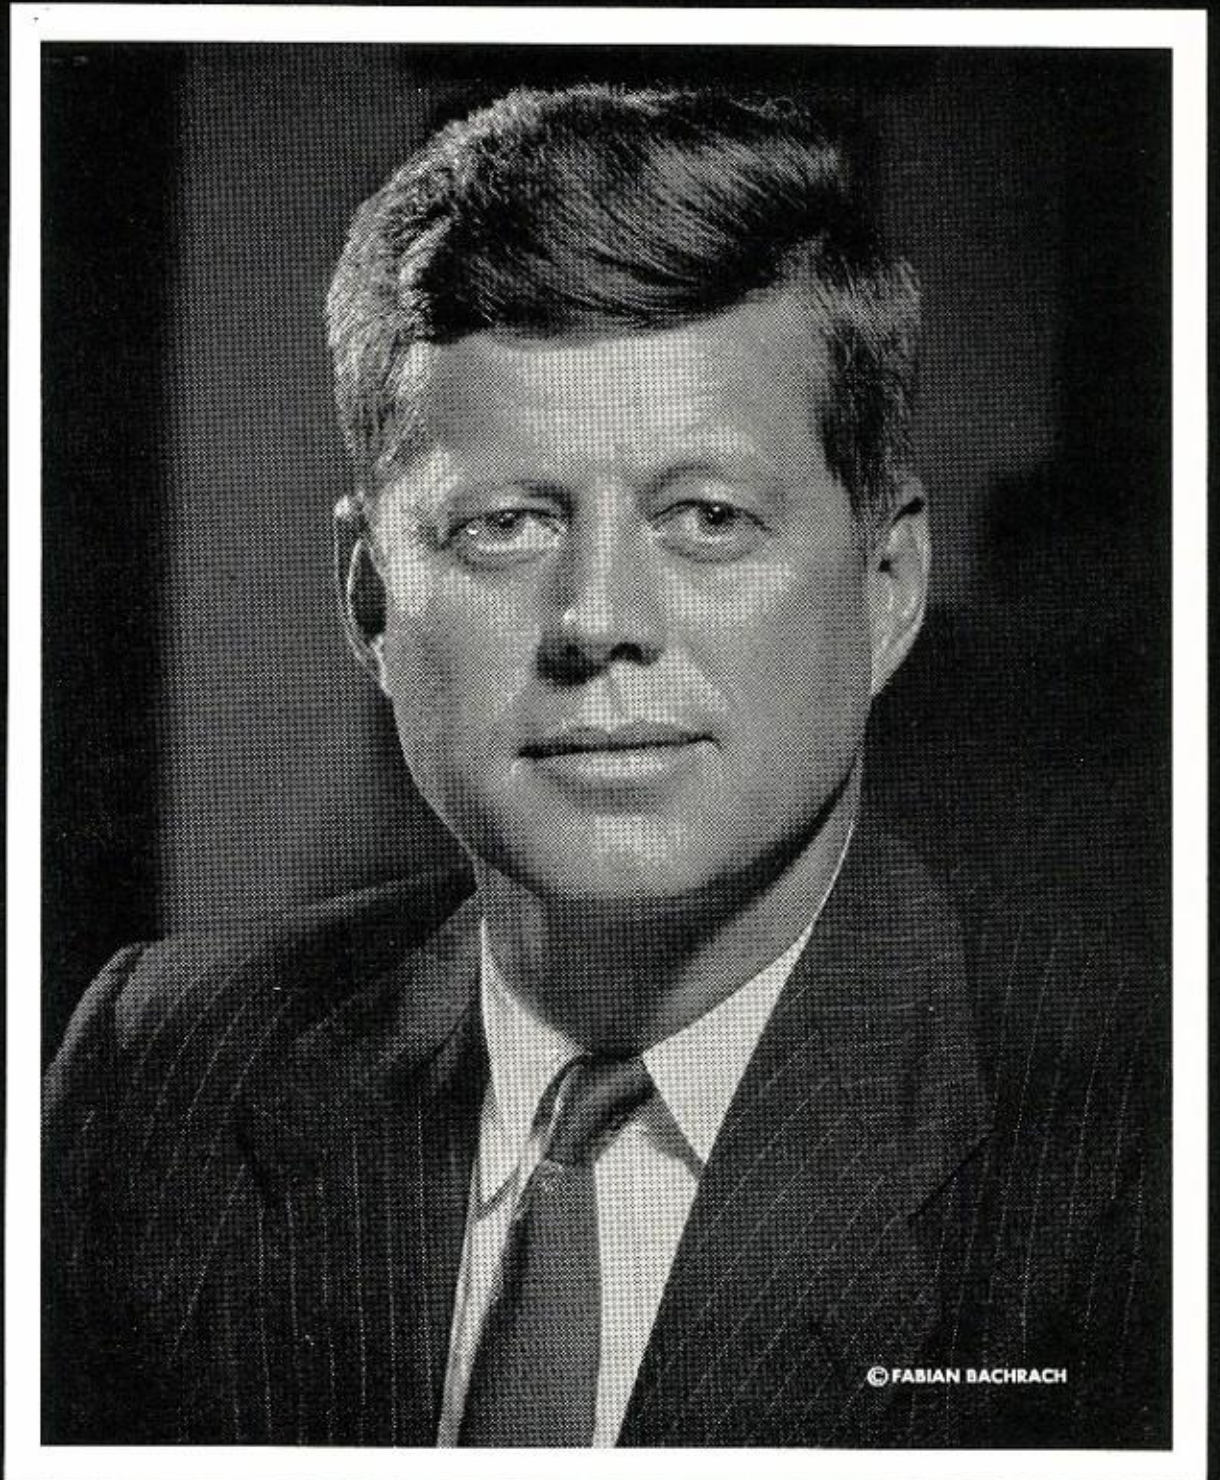

PRINCETON HIGH
PRINCETON, WEST VIRGINIA

"Ask not what your country can do for you --
ask what you can do for your country."

—PRESIDENT JOHN F. KENNEDY'S INAUGURAL ADDRESS
January 20, 1961

This is a sad moment. Our president is dead. A crime against humanity has been committed. At times like this, we must turn to our faiths to find succor for our suffering and for our loss. Anger wells up in us, but no answer is forthcoming except in prayer.

Out of our grave loss we must dedicate ourselves to building a finer future. His courageous wife has given us a stalwart example. We can only hope to emulate this great courage to bring out of this great tragedy a finer and more peaceful world.

Often out of tragedy comes strength. Throughout history nations have risen to great heights after times of adversity, tragedy and want. From these depths of despair, let us pray that we might find the courage, wisdom, and love of mankind, that we may add our dedicated efforts to help bring about a better and more healthful world.

Let us not teach or practice hatred or fear - but faith and love. We as students have a tremendous responsibility, as well as a marvelous opportunity. "ASK NOT WHAT YOUR COUNTRY CAN DO FOR YOU. ASK WHAT YOU CAN DO FOR YOUR COUNTRY."

DEDICATION

MR. HOWARD DURR

It is an honor to pay tribute to one who has become such a genuine part of our school. His interest in his students and his eagerness to help them have inspired all who have come under his influence. Because he has taught so many so much, we the staff of Princeton High School's Tiger '64 dedicate our yearbook to Mr. Howard Durr.

The class of 1964

Dear Seniors:

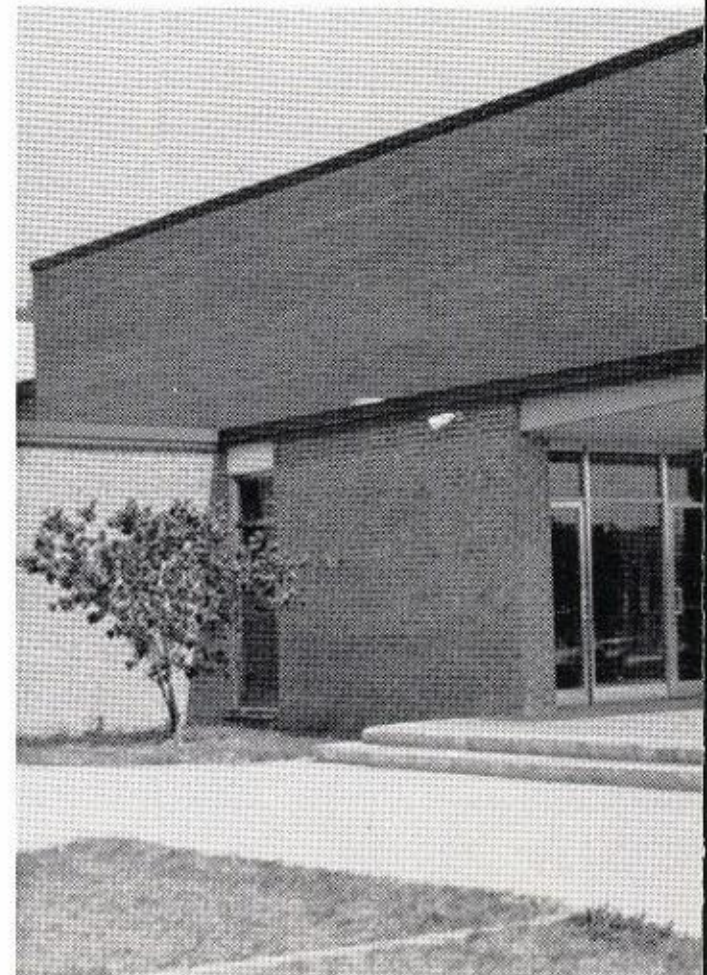

You have made an enviable record for yourselves as you trod the miles and the minutes up to graduation 1964. You have proved yourselves outstanding in the classroom, in athletics, in music, in dramatics, and in virtually every phase of school life.

The faculty and administration of this school deeply feel your contributions and recognize the potential which you carry. We will speak often of the diligence, the sensitivity, and the optimism of the class of '64.

Our best wishes go with you.

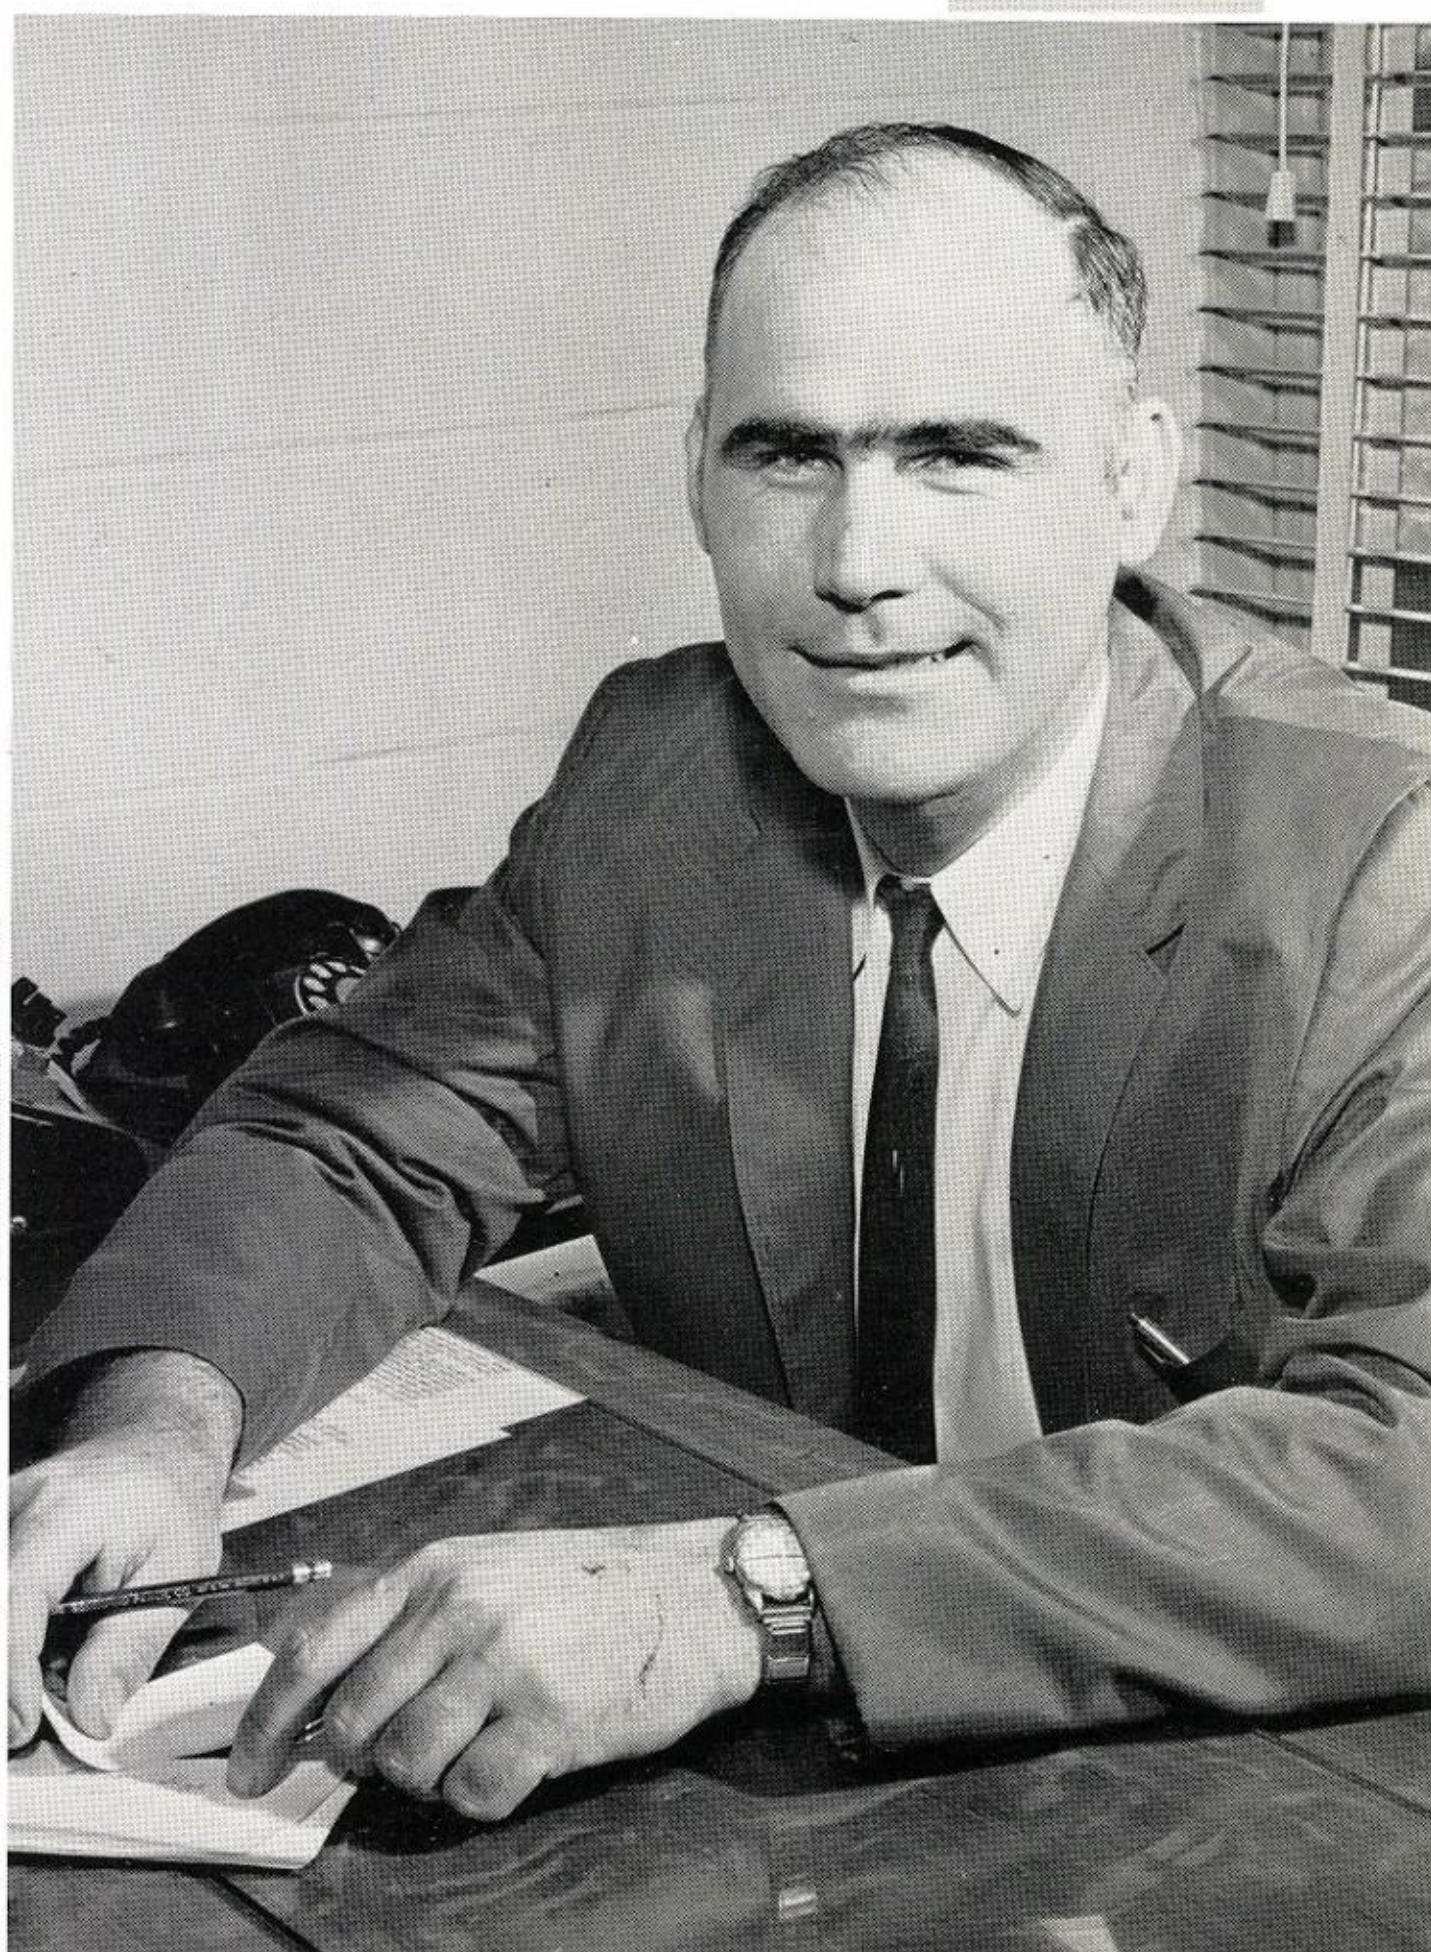

Sincerely,

Robert L. Kight

A yearbook always manages to include a dedication, acknowledgements, and usually a teacher of the year, but no matter how they strive to include everyone often those most worthy sometimes fail to receive the special recognition due them.

The '64 Tiger staff wish to give this special recognition to these three individuals who each add so much to Princeton High School.

WHAT IS A HIGH SCHOOL

When you think of a high school, what do you see?

This is the picture that comes to me;

A high school is people - teenagers and all.

It's assemblies and classes and a rush in the hall.

It's panic at grade cards; it's blue and gold;

It's thrills and excitement that never grow old.

Suspense fills the hallways, and rivalry's keen.

All yearn for a scholarship; who will be Queen?

A high school means projects and clubs with their fun,

And everyone working till all tasks are done;

Tense moments at ball games - Will we win or not?

That "Fightin' Tiger" spirit means more than we thought!

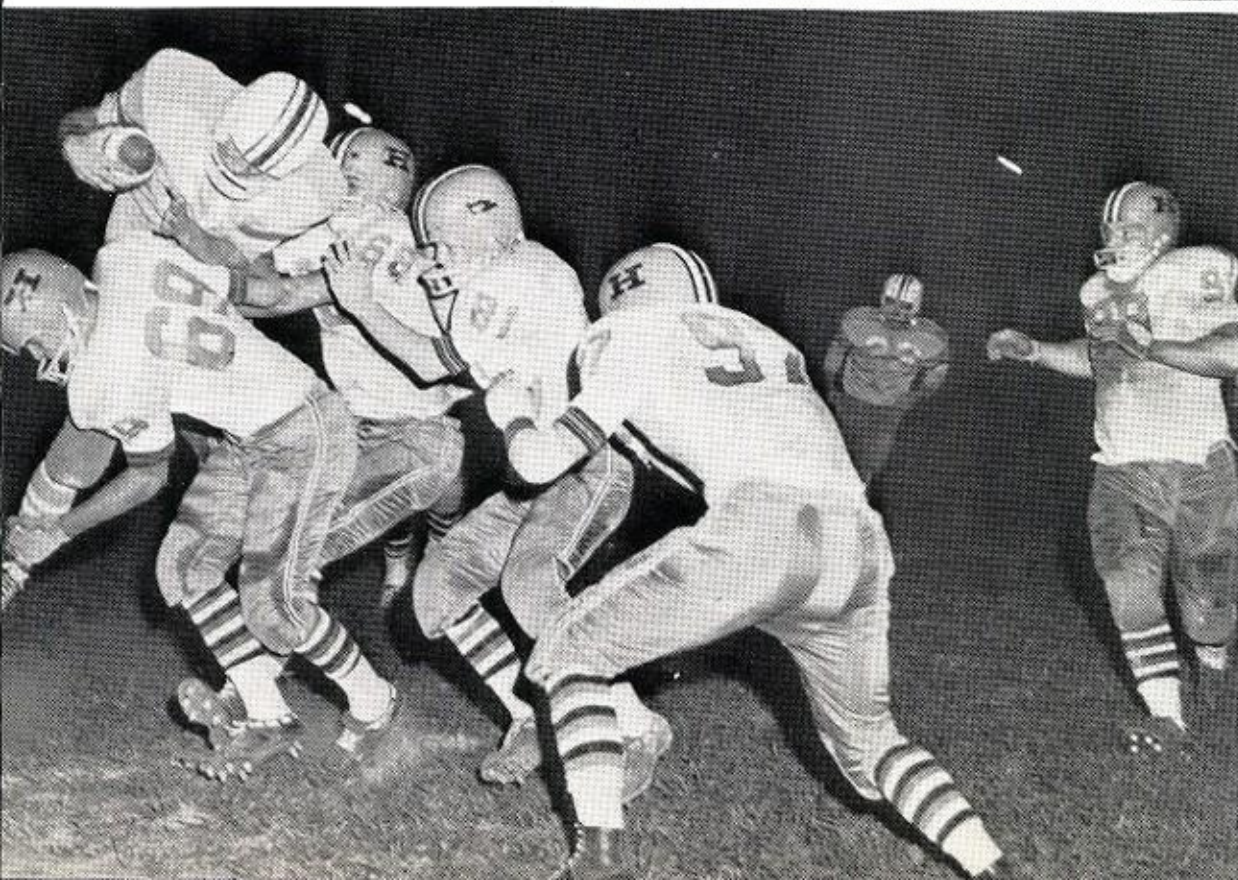

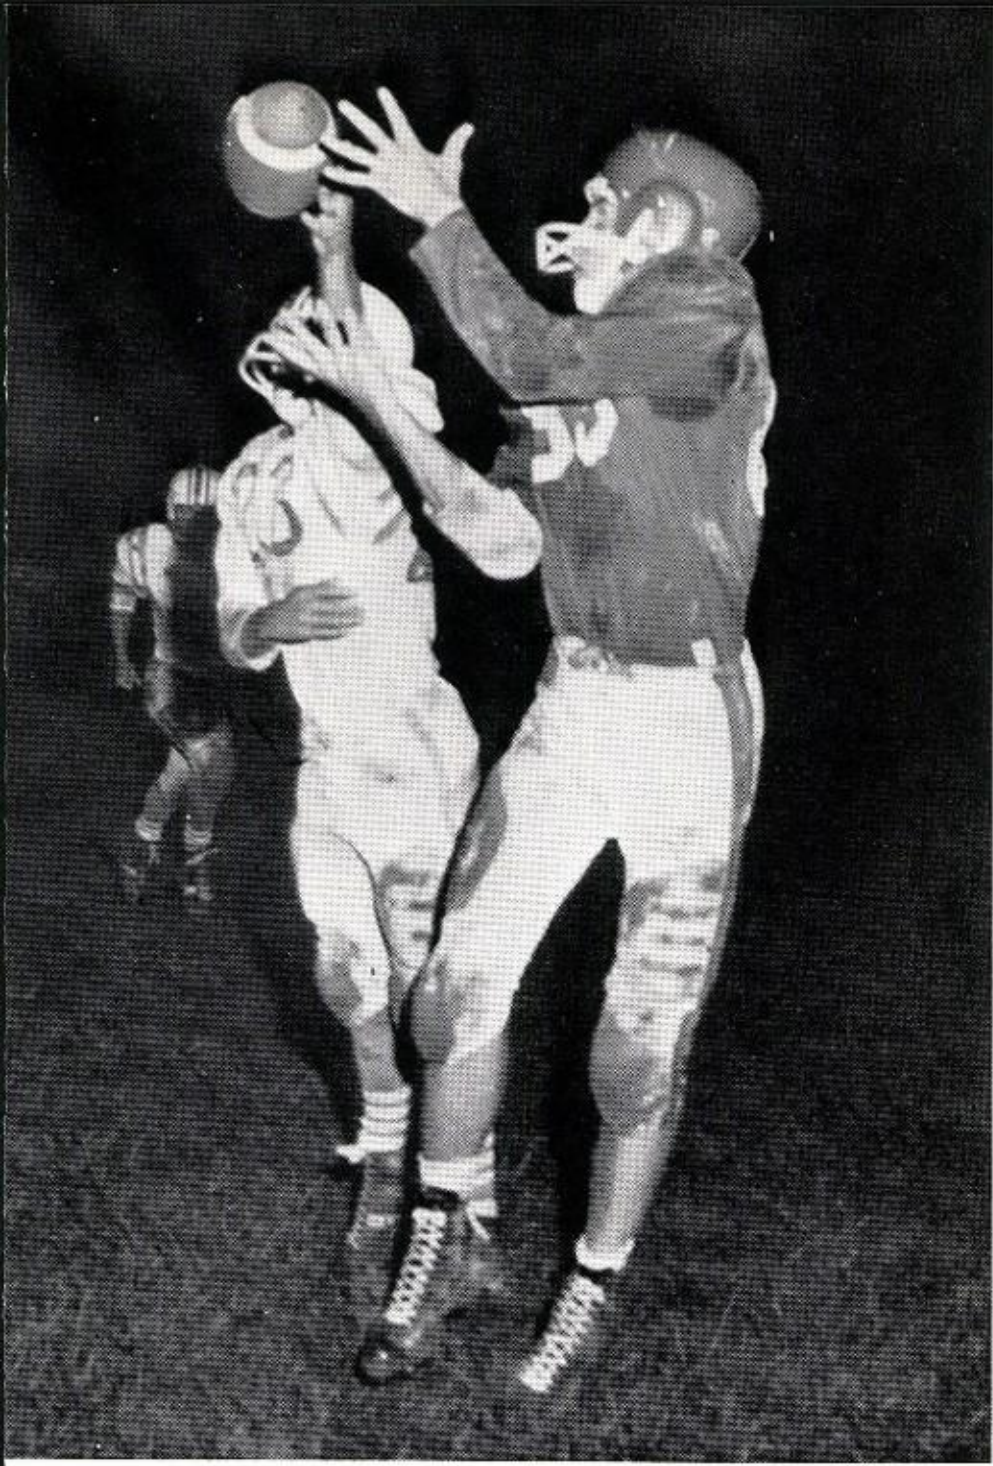

What is a high school? What is its story?

We'll tell it here in all its glory.
